

# **Vine Congregational UCC in Lincoln is organizing Nebraska GLBTQ Pride March, please come and show support!**

**Nebraska GLBTQ Pride March on Sunday, June 11: Meet on the north side of The State Capitol Building in Lincoln 2:00 - 4:00 P.M.**

At 2:00 p.m. we will begin by listening to some inspiring speakers, then we will march, and end up back at the north side of the State Capitol Building. Bring a sign to carry if you wish. All are welcome!

This Pride March is taking place on the same date and time as the Pride March in Washington D.C. and other cities around the USA. Please come and show your support with this uplifting and peaceful march for the rights of people who are gay, lesbian, bisexual, transgender, or questioning.

Why do we march? To ask for equal rights in the work place. To protect the right to marry. To support one another.

Vine Congregational United Church of Christ, is hosting this event with the love and enthusiasm of our V.E.R.G.E. ministry. V.E.R.G.E stands for: Vine Embracing Rights for Greater Equality.

Please tell everyone in your congregation ... Post this in your worship bulletins ... Post it on your bulletin board ... Email your church ... Facebook your friends ... and spread the word!

Peace and Joy,

Rev. Dr. Renae Koehler
