

Eric Biehl began his calling into art on the day of his mother's funeral. Upon arriving home, he sensed a deep stirring to simply put color and movement on canvas. It was from this moment that Lola Kay Studios and Gallery has developed. His work has been received with good reviews in various galleries and is finding its way into many homes and hearts of those for whom simple, and original work is valued. You may contact Eric at biehl325@gmail.com for more information, or to inquire about commissioning a piece.
